System

Large Writing
Area

This innovative system combines two movable and two fixed enamel boards with EmkoBoard, providing an extensive writing space and a seamless usage experience, and features a durable enamel surface that is long-lasting and easy to clean. Complete 4 offers maximum surface area by positioning the movable boards alongside the center, and it includes an optional smart lock feature to secure your EmkoBoard in seconds. Lightweight and ergonomic, this system is easy to assemble and disassemble and allows for quick OPS module access, providing a user-friendly solution.

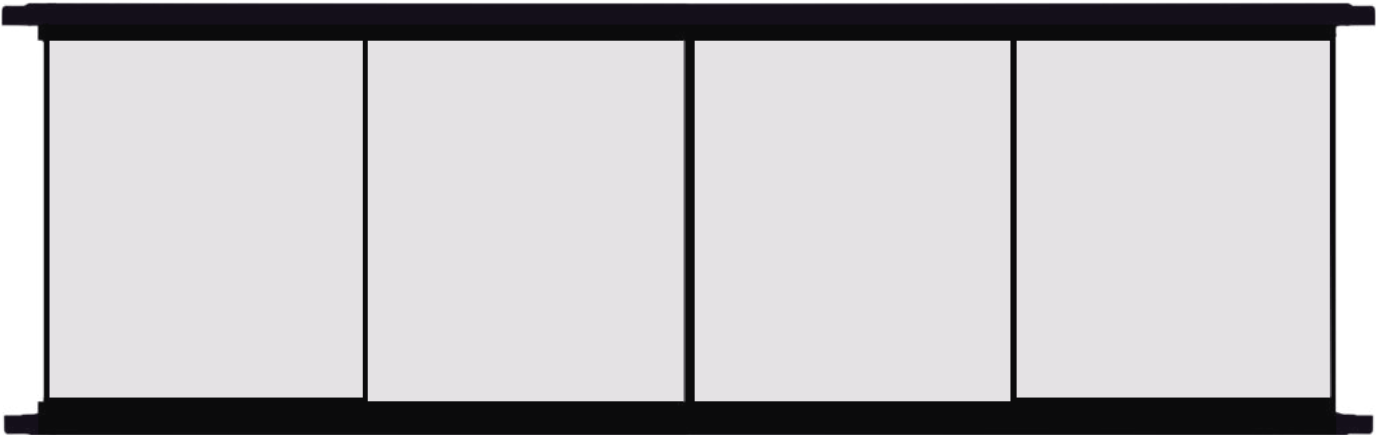

Item No	Product	Definition
1	Enamel	Ceramic Steel
2	Galvanized	0.30 mm Galvanized
3	Honeycomb	11 mm Honeycomb
4	Frame	Aluminum Frame
