65″ 75″ 86″

EMKO BOARDBOX

Technical Specifications

Practical Installation | Ergonomic Design | Easy Cleaning | Durable Frame | Wide Writing Area

BoardBox is a fixed-concept system available in two configurations, Single and Double, combining an interactive display with enamel writing surfaces in one integrated structure.

The Single Box model features one enamel writing surface around the display, while the Double Box model includes two enamel writing surfaces. This allows digital and traditional writing areas to be used

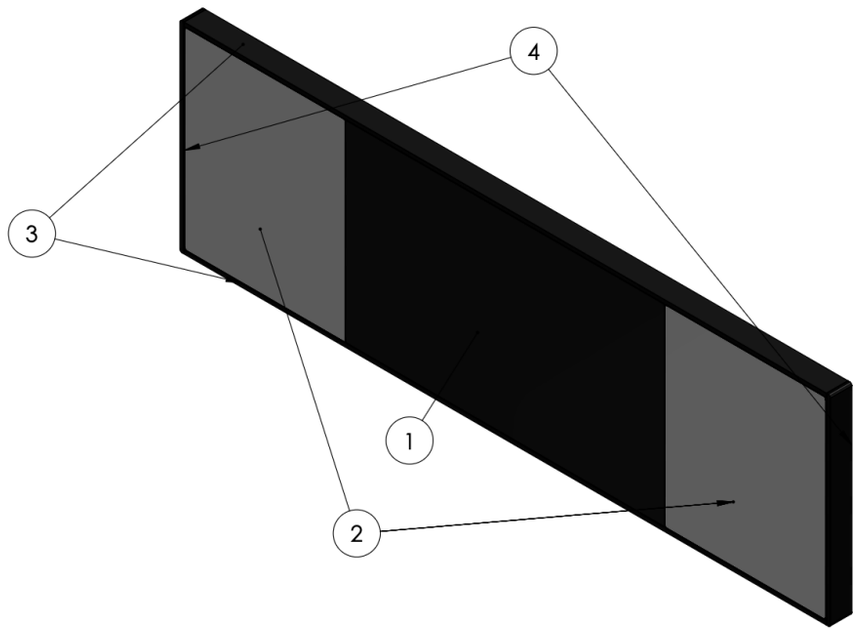

Emko BoardBox **Double**

Emko BoardBox **Single**
